A LITTLE ABOUT FIVESTAR GROUP

The Fivestar Group is a diversified business conglomerate with primary interests in the dehydrated food industry through its subsidiary, Fivestar Dehydration P. Ltd. In addition to its dehydrated food business, the Fivestar Group also operates in other food-related businesses, such as manufacturing & exports of peanut butter, peanuts, vegetable Paste, Etc.

Apart from its food-related businesses, the Fivestar Group is also diversified into real estate and construction. The company has a proven track record of successful real estate development projects and construction ventures, and it continues to explore new opportunities in these areas.

Overall, the Fivestar Group is a dynamic and forward-thinking business conglomerate that is committed to delivering high-quality products and services to its customers. Through its various business units, the company is well-positioned to capitalise on emerging opportunities and drive sustainable growth for the benefit of all stakeholders.

Nihal G. Bhurani

Designation: Founder of Fivestar Group

Industrial Experience: 20 years

He doesn't need introductions. His hard work speaks for himself. Not just professionally but also personally. Mr. Nihal has made a great life & is inspiration to lot of people.

He started his career as a Stock commodity broker in late 80's, While his father was always a farmer. He sure had bigger vision, after learning all the numbers he was looking for a suitable investment option and with lot of research he found the right potential in dehydration industry. That what led him to establish Fivestar Dehydration in 2003. The foundation was led in 2001!

Farming was in blood and the numbers were learned and engineering came with god grace. The mixer of all three made him the most successful dehydrator for years to come and counting.

Today he's ownership has led fivestar group into finest Dehydration Co., The biggest exporter of Peanut butter from India, Nourishment Food Supplier & A real estate tycoon. The legacy is moving ahead and the second generation is in control of the management now. Mr. Nishat Nihal Bhurani & Mr. Ayan Nihal Bhurani

Sustainability

At Fivestar, sustainable development is at the core of everything we do. We are committed to working collaboratively with farming communities to promote sustainable agriculture practices that prioritise environmental and social responsibility. To achieve this, we engage in self-farming initiatives and work closely with our partners to ensure full traceability from farm to fork. We recognise the importance of preserving natural resources for future generations, and we are dedicated to reducing our environmental footprint through responsible sourcing, waste reduction, and energy efficiency measures. Our ultimate goal is to build a sustainable future for all by promoting sustainable development practices in every aspect of our business.

Quality Assurance

We have implemented below mention policies in our plant according to BRC, FSSM & FSSAI norms;

FOOD SAFETY POLICY

- Ensure adequate inspection and testing of final product
- Follow good manufacturing practices and good hygiene practices
- Appropriate communication with employees, suppliers, services providers and customers.
-

QUALITY POLICY

- Products and services of top quality.
- Customer oriented.
- Continuous quality improvement.
- Consistent quality.
- Focus on team work.

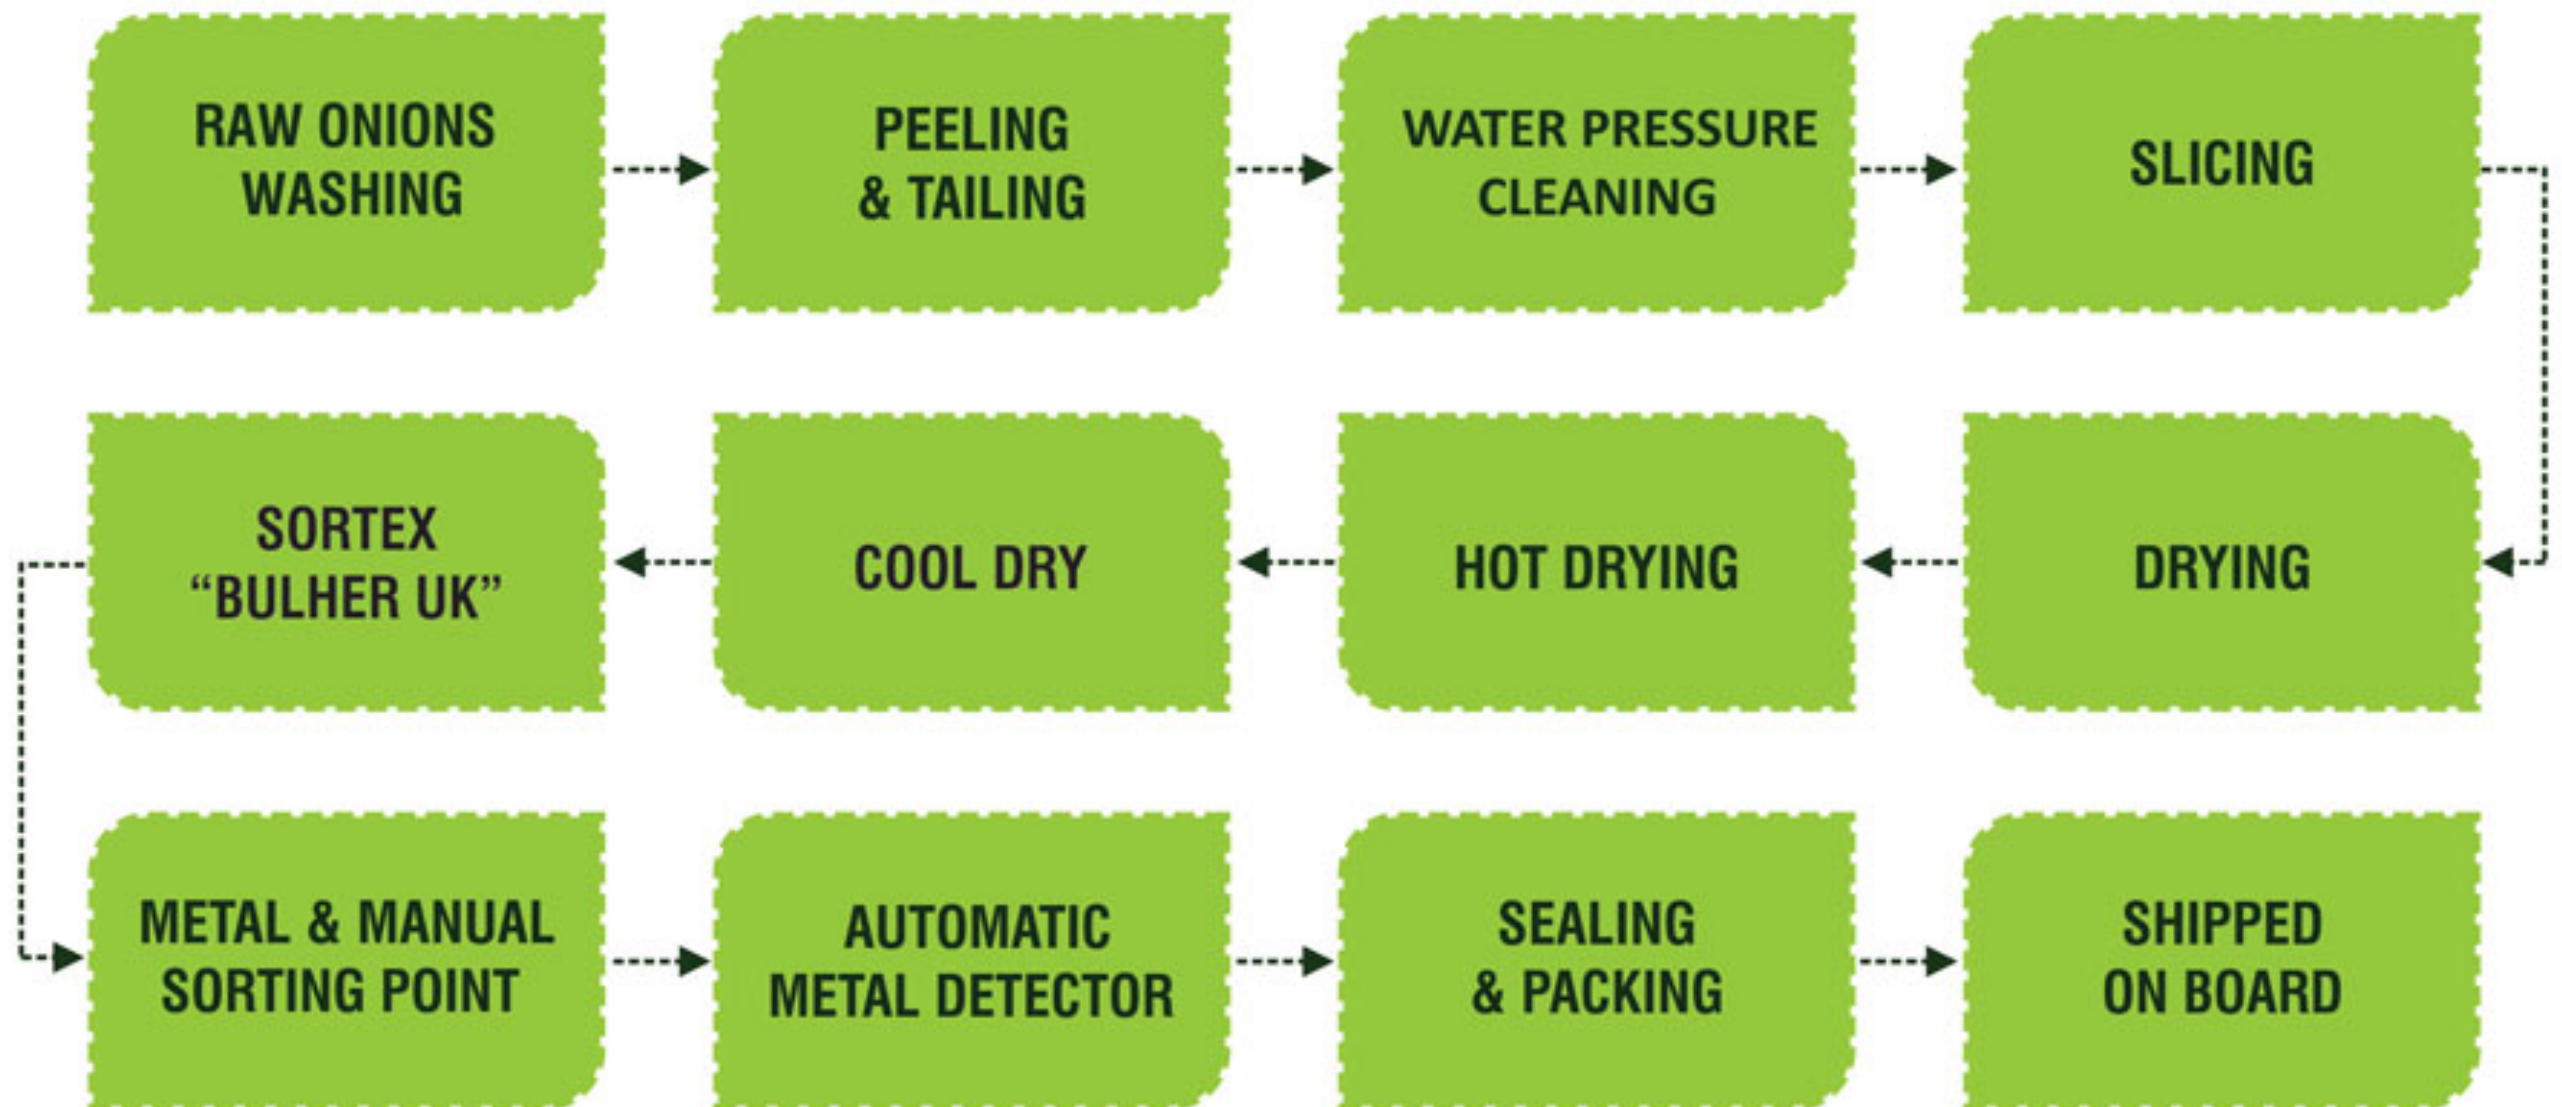

Mission

Our mission is to deliver exceptional customer satisfaction by manufacturing and supplying high-quality dehydrated and fresh vegetables that consistently meet the unique requirements of our customers. We are committed to achieving this by leveraging innovative farming solutions and implementing rigorous quality assurance processes throughout our supply chain. Our ultimate goal is to be recognized as a genuine industry leader in the provision of premium dehydrated and fresh vegetables, built on a foundation of excellence, reliability, and customer-centricity.

Vision

Our vision is to be a leading global provider of dehydration solutions, driven by our commitment to continual growth and innovation. We challenge traditional business boundaries by merging cutting-edge technology and new ideas to adapt to the ever-evolving technological landscape. Through our unwavering efforts and advanced techniques, we aim to provide our clients worldwide with unparalleled solutions that meet their evolving needs.
